福島あきら原作者より「ポケモン勝負」をたくさん学ぶ、少年・少女～重要所満載だぞ～がポケモンとすこし、難しい、感じするバトルアクションストーリー！

That's why we're having a 1-on-1 battle to decide this quickly...!

My time is limited! And even though this is a hallway for the event staff, someone might come in any moment!

Look at you struggle!

You were so strong when you challenged me...

My goodness...

War can't catch up to Druddigon's speed!

It's been like this for the last 30 minutes...

Did you think that you could defeat me like this?!

You're too slow at giving orders! It's proof that you're hesitant!

Since Druddigon is a Dragon-type, its skin is tough.
War!
that Excadrill dig
This tough skin is why it can run around in tunnels
That's why I choose to fight here...
but I don't think I needed to do that
And it's most comfortable with spaces like those narrow tunnels, such as this hallway
There's no Pokemon that can match its footwork

I would've found out sooner or later...
Even if N didn't expose this "truth",
No! You're wrong, Mr. Clay!! It's all my fault!!
I didn't understand my Pokemon's thoughts and feelings when I thought that I did...
...I didn't hear the voices of my Pokemon...
Is that so?
These eyes of mine saw yer Tirtouga open up to ya during our gym battle
Didn't you gamble on Tepig's desire to evolve and win to beat me?
Didn't you win against me only because your Pokemon understood your feelings?

"To us"... Your Pokemon also want to win the Pokemon League
During our battle, you kept using the words "to us"
You also said some unforgettable words to me
……
They're different in many ways
A coach has his duties. His players each have their own personalities and strengths
but they all want to win
You said that a trainer and his Pokemon are like a coach and his players
As long as you're an excellent coach, your Pokemon will stay by your side
The players want to play under an excellent coach
